

# ywide side cleanup

February 20 - March 31, 2023

The Citywide Curbside Cleanup Program assists residents in getting rid of excess trash, rubbish, and other bulky items that aren't collected during regular weekly service. This event is limited to single-family homes located inside the city limits of Madera, and does not include unincorporated areas of Madera County, multifamily dwellings, or commercial businesses. For the purposes of the program, the City has been divided into 3 service areas (zones). Prior to the start of service in each zone, detailed maps with scheduled cleanup days will be posted on the City's website at madera.gov/curbside, published in the Madera Tribune, and mailed to residents in upcoming service areas.
